SCHOOL NOTES

On Sunday, Nov. 12th, a Memorial Service was held in the Chapel. Many wives, parents and friends of Old Boys killed in this war were present, and the short and simple service was possibly the most impressive ever held by the School.

That afternoon the Cadet Corps paraded as usual to the Remembrance Day Service at the Cenotaph in Lennoxville.

Many of those who receive this Bulletin will be interested to hear that a volume of poems by Kenneth Hugessen, who died in December, 1942, was recently published and favourably reviewed in the Montreal Gazette. Most of the poems were written while Kenneth was at B.C.S., and appeared first in the School Magazine.

FOOTBALL Coached by Mr. Grier, the School Team evolved into the best team to watch that we have seen for some time. To the onlooking layman it seemed as though the team had been trained to an extent where in a match it could cast formal football aside and become free and easy without becoming confused. The matches will be written up in detail in the School Magazine; suffice it to say here that the game lost to Sherbrooke High was fought uphill in the last half and particularly in the last quarter by the School in a manner that was more satisfying to all its supporters than any win could have been; and that in the final game against Stanstead the team put on the sort of exhibition seldom seen outside the movies, completing incredibly long forward passes, returning kicks to the confusion of the opposition, and staging runs by the back-field that changed the whole course of the game in a matter of seconds. The team was made up of: Bill Price, Captain for the second year, Mike Wallace, Peter Satterthwaite, Les Gault, Doug Foss, David Johnson, Scotty Fraser, Charlie Neill, Bill and Jeff Arnold, Bill Satterthwaite, Jim Sewell, Desmond Stoker and Alec Mackenzie. A summary of the results of matches follows:

B.C.S. at Sherbrooke High School,	Won, 18-1
Old Boys at B.C.S.,	Lost, 12-11
Lower Canada College at R.C.S.,	Won, 19-1
B.C.S. at Stanstead,	Won, 33-2
Ashbury at B.C.S.,	Tied, 1-1
Sherbrooke High School at B.C.S.,	Lost, 10-7
B.C.S. at Lower Canada College,	Won, 6-1
Stanstead at B.C.S.,	Won, 49-1

This year the lower creases were divided into two leagues of three teams each, and played a hard fought schedule with much more zest and enthusiasm than used to characterize practice games on individual creases.

OTHER ACTIVITIES At the close of the rugby season a soccer league, seven teams captained by Prefects and most of them including a master somewhere in the fullback line, went into operation. As we go to press the league is still running - the masters seldom.

The Cross Country Course has been laid out over the same terrain as has been used on the last two occasions - round behind the Experimental Farm and through the Golf Links, and the race will be run on Saturday, Nov. 18th.

Cadets are entered in the Rifle Competition for the Empire Shield, and shoots are held daily.

The yearly Hallowe'en celebration this year took the form of a stage show featuring acts to suit all tastes, from the intellectual heights of "Crossing the Tracks" to the Fourth Form's low comedy "The Masters as We See Them".

The next issue of the Bulletin will not come out until Christmas and New Year's are things of the past, so wherever and whenever this number catches up with you it carries the School's wishes for a good Christmas and a victorious New Year.
